23rd June 2011

Dear Helen, Siobhan and Peter,

Re: Kayaking Taster : Tuesday 14th June 2011

Just a short note to express our gratitude to you all for introducing us to the delights of kayaking and canoeing, last Tuesday, 16th June 2011.

It is, perhaps, a pity that more carers didn't take part, however those that did, and Bev, Niall and I had a wonderful time, and much of this is attributed to the friendly atmosphere created by you and your patience with us all.

I understand that Ian and Christine are both considering joining Bolton Canoe Club, as a consequence of the evening, which is testament to the level of fun and friendship we enjoyed. Even David who very nearly went for a swim stated that he'd had a great time, but has decided that water based activities are not for him!!!

Overall, the feedback I have received has been outstanding, and from a personal point of view, I would like to congratulate and thank you all very much for giving us an evening to remember.

We hope to visit again very soon.

Yours sincerely,

Peter Harmer
